The Female Mariners Project Art Exhibit & Presentation (Sunday, May 3)

Photo by Margaret LeJeune

The photos in Margaret LeJeune's **The Female Mariners Project** (www.margaretlejeune.com/the-female-mariners-project) celebrate strong, knowledgeable, and brave women who share a passion for the water – shipwrights, captains, sailmakers, racers, liveboards, and tour boat operators.

We're delighted that a selection of her work will be on display during our Conference for attendees to view. We hope you'll come back the next day to **meet Margaret in person for an artist talk and Q&A session.** She'll show additional images on slides and share the personal stories of many of the women pictured.

Margaret herself is a cruising sailor as well as a professor of photography at Bradley University in Peoria, IL. When she is not teaching, she lives aboard her Tayana 37 sailboat, *Bear*.

The program is open to the public and will be held on **Sunday, May 3rd at 10 a.m. at the Milwaukee Community Sailing Center.** Cost is \$15 per person, which includes a light breakfast. *Reserve your spot using the Conference registration form.*
